EMERGING LEADERS

EMERGING LEADERS

The Emerging Leaders Program engages young professionals from A Better City member companies in programming related to Transportation and Infrastructure, Land Use and Development, and Energy and the Environment. Events include, presentations from senior decisionmakers across private industry and government, guided tours of innovation buildings, and social events to encourage professional networking.

A Better City hosts compelling events and activities for the Emerging Leaders with the priority to cultivate conversation and learning around enhancing the built environment, and fostering a vibrant and globally competitive region.

IMAGINE A BRIGHT FUTURE

MAKE IT A REALITY

Emerging Leaders are ambitious up-and-comers at their respective organizations from across the spectrum of the Greater Boston business community. Participants include a broad range of stakeholders including commercial developers, financial institutions, healthcare providers, higher education institutions, law firms, and property owners, and more.

Program participants are nominated by their respective company's A Better City Board Member. These nominations can be submitted to: **Caitlin Callanan: Manager of Membership & Communications** at ccallanan@abettercity.org

The background features a perspective view of a grid of white lines on a dark surface, receding towards a bright horizon. The logo consists of a red square with a white letter 'A' at the top. Below it, the word 'BETTER' is written in white, bold, sans-serif capital letters inside a red rectangular box. To the right of 'BETTER' is a yellow square containing a white graphic of a folded paper corner. Below these elements, the word 'CITY' is written in white, bold, sans-serif capital letters inside another red rectangular box.
