Businesses in Dorchester will have a chance to meet their fellow entrepreneurs and get helpful tips on increasing traffic as the Saint Marks Area Main Street holds its Business Task Force's Networking Breakfast Thursday morning.

The breakfast will run from 7:30 a.m. - 9 a.m. at the Sea Breeze Mexican Grill located at 1792 Dorchester Ave.

Businesses will have the opportunity to chat about techniques they found that have worked to bring in more customers and ways they think challenges along Dorchester Avenue can be tackled.

Presentations will also be given by the City of Boston's Office of Business Development and A Better City/Challenge for Sustainability, which will provide tips on how to make business more efficient.

For more information or to RSVP contact the Saint Marks Area Main Street at (617) 825-3846 or email office@smams.org.
