

## **Phillip Brake, PE, Named HNTB Corporation Senior Vice President and Office Leader in Massachusetts**

### *Firm Supports Transportation Clients Across the State and Region to Help Implement Infrastructure Improvements for Critical Mobility Needs*

Boston ([PRWEB](#)) April 29, 2014 -- Phillip Brake, PE, has been promoted to senior vice president and Massachusetts office leader. He will lead HNTB's combined Boston and Chelmsford office. Brake has directed the Chelmsford office since 2010.

Brake has more than 20 years of experience in transportation systems, including railroad corridor planning, engineering and construction management expertise. He joined HNTB in 2002 and is a registered professional engineer in six states.

In his expanded role, Brake is responsible for driving the strategic direction of the Massachusetts practice and overseeing the delivering of infrastructure solutions for a variety of regional transportation agencies, including the Massachusetts Department of Transportation, Massachusetts Bay Transportation Authority, Massachusetts Bay Commuter Railroad Co., Toronto Transit Commission, Connecticut Department of Transportation, Maine Department of Transportation and the Northern New England Passenger Rail Authority.

“Our clients have come to know Phil as a reliable and trusted advisor on some of their largest and most complex programs to improve mobility along many of the Northeast’s congested transportation corridors,” said Steve McElligott, PE, president of HNTB’s Northeast Division. “He has a proven ability to effectively achieve program goals while meeting budget and scheduling requirements.”

Brake is active in a number of industry organizations, including the American Council of Engineering Companies, American Railway Engineering and Maintenance-of-Way Association, the American Institute of Steel Construction, and the Women’s Transportation Seminar. Brake also serves as a board member of the Boston based A Better City organization that promotes strategic enhancements to the region’s transportation system.

In addition to primary offices in Boston and Chelmsford, HNTB has additional on-site project offices in the state employing a combined total of more than 150 professionals.

#### About HNTB

HNTB Corporation is an employee-owned infrastructure solutions firm serving public and private owners and construction contractors. Celebrating a century of service, HNTB understands the life cycle of infrastructure and addresses clients’ most complex technical, financial and operational challenges.
