Developing Resiliency Solutions through Regional Governance and Collaboration

Rebecca Davis, Deputy Director

101 municipalities

1,440 square miles

Nearly 3.2 million residents

1.8 million jobs (2010 Census)

Metro Boston Regional Climate Change Adaptation Strategy Report

Funding provided by the Federal Sustainable Communities Program and the Barr Foundation

Revised March 5, 2015

By:

Metropolitan Area Planning Council 60 Temple Place Boston, MA 02111 617.933.0700 www.mapc.org

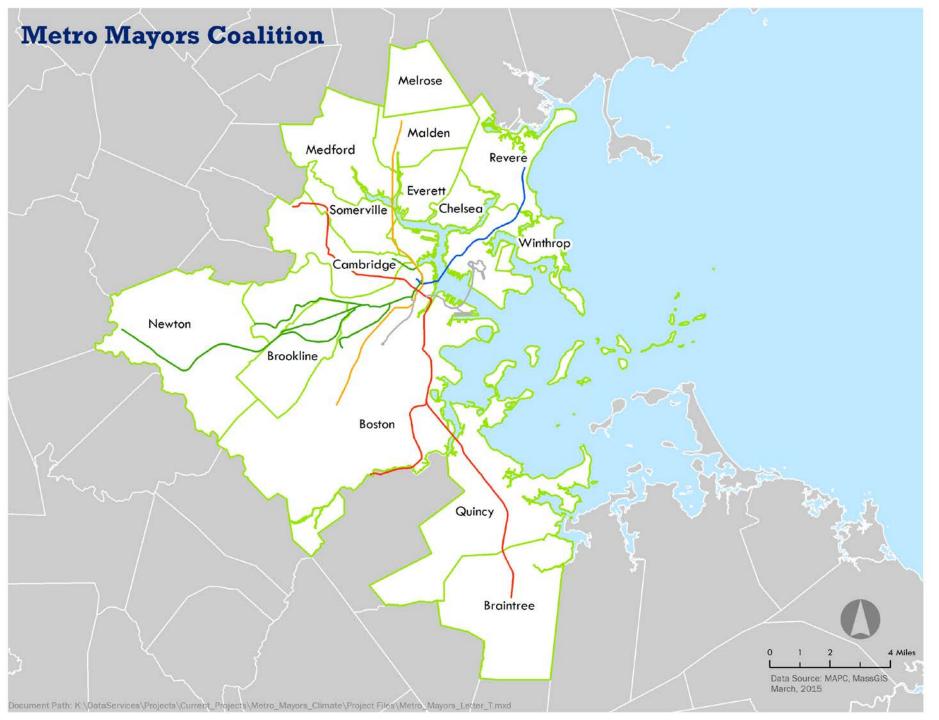

With assistance from: Tellus Institute 11 Arlington St. Boston, MA 02116

Metropolitan-Boston Regional Climate Change Adaptation Strategy

Regional Climate Change Strategy: Objectives

Sector	Subtopic	Objectives
Built Environment	Development, Green Infrastr., Tree Canopy	1) New development/redevelopment designed to adapt to climate impacts (heat, precipitation, etc.)
	Development	2) Redevelopment located outside of the highest hazard areas
Natural Resources	Protection	3) Natural functions of ecosystems, shorelines and critical habitat areas will be restored
	Management	4) Conserve and manage habitats to support healthy fish, wildlife and plant populations and ecosystem functions
	Restoration	5) Restore ecosystem processes to increase capacity to adapt
Coastal Zone	Protection, Storm Assess.	6) Coastal areas resilient to climate change impacts
Key Infrastructure	Energy, Water/WW/SW, Transportation, Green Infrastructure	7) Resilient transportation, water/wastewater, and energy infrastructure
	Roads & Crossings	8) All existing tide and flood control structures assessed for flood control
Local Govt./ Econ.	Asset Mgmt & Capacity	9) Local and regional asset management preparation and monitoring
Human Health & Welfare	Vector Diseases, Vulnerable Populations	10) A public protected from extreme climate change health impacts, with particular focus on vulnerable populations

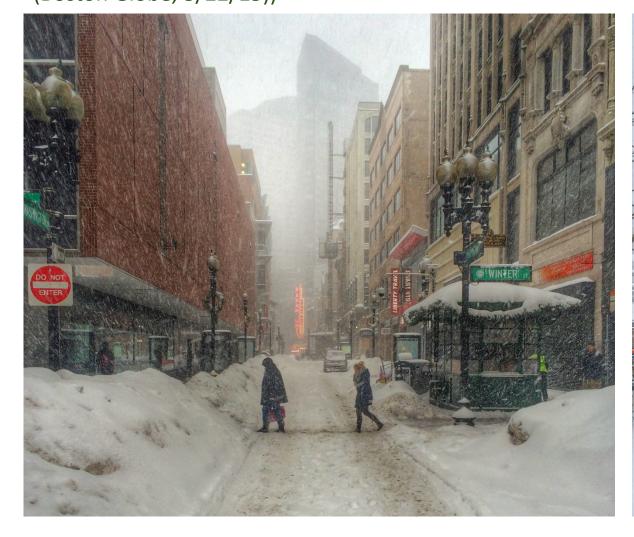

14 Municipalities

Nearly 1.4 million (2010 Census); 43% of the MAPC region population

150 square miles, roughly 10% of the MAPC region land area

Winter 2015

Boston, Massachusetts Annual total snowfall: **110.3**" (Boston Globe, 3/22/15))

Metro Mayors Coalition Climate Preparedness Commitment

May 2015: Metro Mayors Coalition convened to sign a Climate Preparedness Commitment.

Participating agencies:

- o Executive Office of Energy & Environmental Affairs
- o Executive Office for Housing & Economic Development
- o MassDOT
- o MWRA
- o Massport
- o EPA Region I

Metro Mayors Coalition Climate Preparedness Summit: May 13, 2015

Metro Mayors Coalition Climate Preparedness Taskforce

The Coalition launched a Taskforce to address vulnerabilities in the region's shared critical infrastructure.

The Taskforce is working to:

- o help to coordinate a regional and cross-governmental effort,
- o ensure coordination and integration of existing and planned mitigation and resiliency work, to optimize the outcomes of both efforts,
- o work fairly, equitably, and inclusively to ensure that vulnerable populations have access to protective measures and adaptive capacity in the face of climate change.

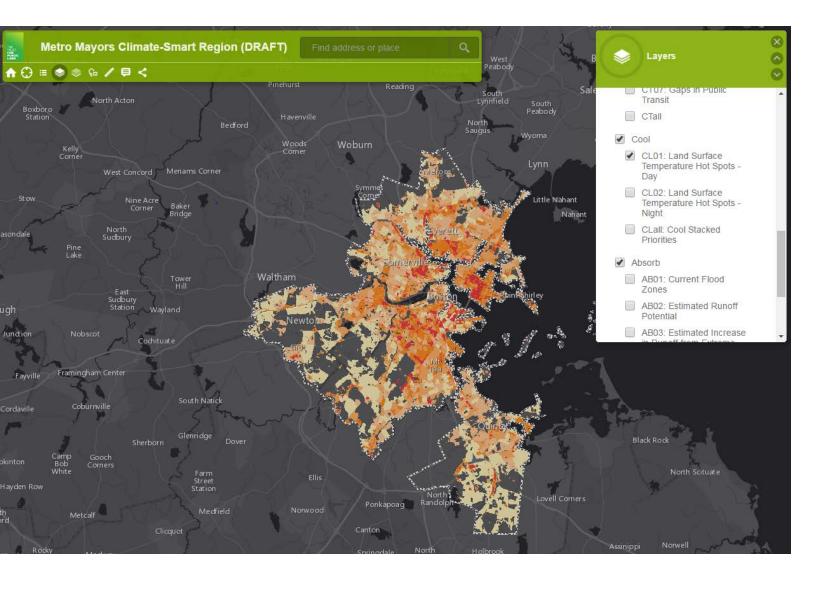

Metro Mayors Coalition Climate Preparedness Summit: May 13, 2015

Climate Preparedness Taskforce Priority Areas for 2016

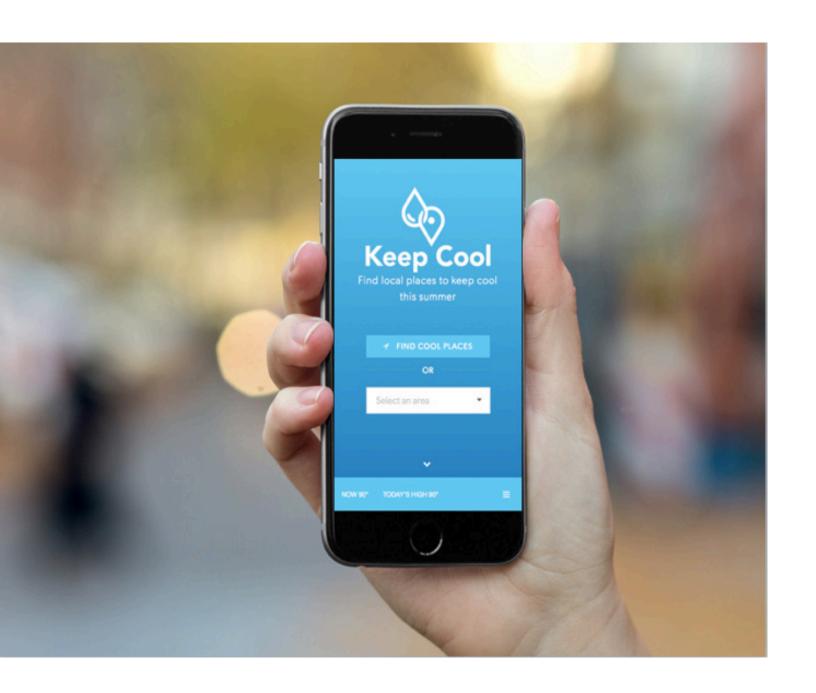

Local Canacity Puilding	Vulnerability Assessments
Local Capacity Building	Knowledge Sharing & Training
	Flooding from Storm Events: Food Distribution Centers in Chelsea and Everett
Regional Focus	Urban Heat Island Effect: Green Infrastructure & Emergency Preparedness for Extreme Heat
	Overarching

Trust for Public Land Collaboration

Metro Mayors Climate Smart Region Program

The Keep Cool App provides residents with a tool to locate nearby places for keeping cool in the summer.

KeepCool.mapc.org

Climate Vulnerability
Research of Regional
Food Distribution
Centers in Chelsea
and Everett

in collaboration with the American Geophysical Union and UMass Boston

Next Steps for the Metro Mayors Coalition and Taskforce

- Priority Setting for 2017
- Building a Policy Agenda
- Ensuring communication and climate adaptation coordination across different public agencies and private companies that own or manage regional infrastructure
- Partnership with the Urban Land Institute (ULI) to utilize the MAPC-TPL GIS
 Decision-Support Tool for Resiliency Planning in Private Development Projects
- MassBuilds Relaunch

Thank You.

Rebecca Davis, Deputy Director
