

# Identifying Green Team Projects

## **Waste**

Food waste composting in corporate cafeteria  
Water sparkling machine to deter bottled sparkling

## **Energy**

Communal rooms – getting light sensors  
Buy renewable energy certificates for events and meetings  
Sourcing energy from renewables or offsetting  
Campaign to shut off electronics

## **Community Engagement**

Tenants union  
Building Green Teams  
Engaging employees and tenants  
Volunteer Activities  
Setting a target for number of volunteer hours  
Companywide volunteer Day

## **Sustainable Purchasing**

Sustainable Caterers Guide  
Recycled paper and supplies  
Minimum order guidelines

## **Transportation**

Offsetting business travel  
Tracking business travel  
Resources for offsetting  
Nuride
